

MOVING ON UP!

A DR. TEA STEELE NEWSLETTER

MESSAGE FROM DR. TONIE ANDERSON-STEELE

God showed us yet again who is in charge of this universe last month with over 8-9 inches of snow in the panhandle! For that historic weather in Florida and other cities it will be best to pray continuously to The Most High and rebuke the demons constantly trying to attach to us.

Nobody is better than anyone else even though some folks think they are! Do not let the gap widen between you and the Glory of God (we already fall short)! We need to recognize the jealous, envy, strive and hate that just comes out of nowhere unnecessarily to cause anxiety, depression, and stress for empty and unfruitful reasons! God did not give us those things, but he did tell us that love, peace, joy, patience, long-suffering, faith (in Him, not other human beings and stuff), gentleness, goodness, meekness, and temperance is the way to act. He also told us to be strong and of good courage. Do not, I repeat - do not take discouraging or hurtful manners from others and internalize them into your mind, soul, heart, and spirit because vengeance is the Almighty's and he can take care of any negative situations and concerns in your life better than you can! BEWARE because you don't want him to use his vengeance on you for mistreating others. If you don't want it done to you, don't do it to others.

God, I Am, Elohim, sees your actions-good or bad through your EYES and he knows all your secrets! Imagine that!...and he still loves us unconditionally! Pray for the scattered to be gathered together! Pray for your enemies and those who you might think are your enemies. Blessings to you as we continue to pray for each other! Line up with the righteousness of Our Father and rebuke those demons in your life!

Please remember that demons come in a variety of emotions to distract us from loving and caring for each other daily. Good thoughts are the daily assignments, not evil thoughts. The daily chore is to serve God with our hearts, mind and soul, not the devil! Try blessing everything you wear including the hair on your head! We been hoodwinked about a multitude of things, but we are alive to still make changes for our good and others around us, including our family members, always and forever until we are called to rest for a moment until we reach our eternal location.

MOVING ON UP IN 2025-WOMEN'S HISTORY 24/7/365

Celebrating Ms. Theola Bright and her Village!

To whom much is given, much will be required. - Luke 12:48

Theola Bright is one of those people who much has been given; and in response to much is required, she has established the THEOLA BRIGHT FOUNDATION (TBF) which gives others the opportunity to join her in helping the poor and underprivileged people of Africa, our Motherland. TBF gives each donor the opportunity to help someone in the capacity of their own passion. For an example, a teacher may want to donate to education, a doctor or nurse to medical, or a musician to music. The passions are listed below and information on Theola Bright can be found at: <https://sites.google.com/view/the-world-of-theola-bright>.

REBUILDING THE VILLAGE

The Village recognizes that all of us need more help, but especially our children and seniors. The village will have all the resources in place to help one another. John Lewis said it best "Get in good trouble, necessary trouble, and redeem the soul of America"; this is The Village format. If you are ready to join the village, please text your name and email address, to (850) 525-1761. Thank you kindly!

The Village became obsolete when the parents refused the loving help from the people in The Village.

T.E.A. THYME

T.E.A. Thyme is a social media show where we have discussions on issues affecting our everyday life and community! We air every Saturday at 5:30 P.M. (CST) on Facebook, Instagram, YouTube, Patreon, and Daily Motion beginning on Saturday, March 8, 2025. I would love to share information relevant to our personal growth and success. If you're interested in being on the show, please forward your contact information to steeletea@gmail.com.

SISTAH TO SISTAH OF NORTHWEST FLORIDA

Sistah to Sistah of Northwest Florida assists women in defining and refining womanhood. The basic principles of female excellence will be identified through virtual group discussions. Topics include: identity, image, faith, purpose, and priority. Through transformative dialogue, women will learn to love themselves and each other, connect to healthy living, and unlock righteous productivity to reclaim feminine greatness, and to exhale.....and let it go!

A new six-week session will be starting Thursday, March 6th @ 6 p.m. Go to www.drteastele.com to sign up. For additional information, please call (850) 525-1761.

A BIBILICAL WALK WITH OUR CREATOR

THE BIBLICAL CALENDAR

| Biblical Month & Year | Gregorian Month & Year | SUMMARY |
|-----------------------|------------------------------|--|
| SHEBETH 5785 | JANUARY/ FEBRUARY 2025 | Shebeth is the eleventh month of the year in the biblical calendar and is mentioned in Deuteronomy 1:3 and Zechariah 1:7. This new moon appears between January and February of the Gregorian year. The name was changed to Shevat after Babylonian Captivity. |
| ABIB 5785 | FEBRUARY/ MARCH 2025 | The scriptures consider Abib to be the first month of the year - see Esther 3:7 and Nehemiah 2:1. "Abib" is a Hebrew word meaning 'a young green ear of grain' referring to the beginning of months. God's command to His people in Exodus 12:2 is that "this month shall be to unto you the beginning of months. It shall be the first month of the year for you". |
